

APARTMENT MANAGEMENT

explören

ex

OVERVIEW

Exploren is a **complete software solution** for your EV charging network. The diverse capabilities of the Exploren platform will ensure your residents have the best user experience and you are able to unlock the full potential of your EV chargers.

You can manage and track the whole network of resident chargers in one platform.

EV CHARGING MANAGEMENT & APARTMENTS

With the adoption of electric vehicles expecting to more than double in the next five years, it is important to ensure your building has the infrastructure to support this change.

The Exploren management platform will fully support your implementation of chargers. With the EV chargers working with Exploren, your building will be future-proof to manage the electrification of vehicles in Australia.

Exploren has a solution for every building, not matter if you are a developer, body corporate or commercial residential manager.

FEATURES

WHY CHOOSE EXPLOREN

Data Collecting

With data collecting, you will have greater understanding of your EV charging network. This data will aid in making informed decisions to optimise the size, efficiency and energy usage of your chargers.

EV Charger Management

Receive live updates and notifications from your EV chargers. This will increase uptime across the network to ensure your residents have reliable access to their chargers and maximise your revenue.

Taffis/ User Billing

You can choose the cost of charging per kw/h charged to the users. Either simply offset the costs of energy used or generate a revenue stream with a higher rate.

At-a-glance Reporting

Get quick access to all the reporting you need. Find visual data on energy consumption, user behaviour and revenue etc. You can compare data from different periods, filter by criteria (e.g. type of charge point), the location, and more.

Local support

Exploren is Australian owned and hosted on Australian servers to provide fast speeds. We are compliant with all Australian data protection laws to ensure the safety of our users.

The logo consists of the lowercase letters 'ex' in a white, sans-serif font, positioned inside a dark blue circle. The background of the entire page is white and decorated with abstract geometric shapes: overlapping circles in dark blue and yellow, and thin dark blue lines forming arcs and rings. The main content is centered within a large yellow circle, which is itself set against a larger dark blue circle. The text is in a clean, white, sans-serif font.

APARTMENT PRICING

AC Charging
\$175.00
