

FLEET MANAGEMENT

explören

ex

OVERVIEW

Exploren is a **complete software solution** for your EV charging network. With the expansive features of the Exploren Platform, you will be able to unlock the full potential of your EV chargers.

The easy to use platform will ensure you can manage and track your fleet easily and your fleet drivers can access our network of chargers across Australia.

EV CHARGING MANAGEMENT & YOUR FLEET

Electric fleets in Australia are being widely adopted due to the financial savings and environmental benefit across industries and businesses. According to McKinsey, you can **reduce your fleet costs by 15% to 25%** if you transition your fleet from ICE vehicles to EVs.

Our Exploren fleet management solution will ensure the unique challenges of acquiring new technology are minimised.

Currently, Corporate and government fleets make up 52% of annual new vehicle sales in Australia. With the aid of Exploren software management, electric fleets will be simpler than traditional fuel powered fleets.

FEATURES

WHY FLEET MANAGERS CHOOSE EXPLOREN

Site Management

Site management allows the head operating body of a business to oversee all their fleet sites while retaining privacy and independence between the individual sites.

Data Collecting

With data collecting, as a fleet manager, you will have greater understanding of your EV charging network. This data will aid in making informed decisions to optimise your fleet in the short and long term.

EV Charger Management

Receive live updates and notifications from your EV chargers. This will increase uptime across the fleet's charging network and prevent losses from efficiency issues.

Corporate Billing

Get flexibility for your drivers to charge at any Exploren EV Charger in Australia and simply receive and pay your expenses summary at the end of the month for all drivers.

Open API

Exploren's API integration allows for integration with your existing platform. Your developers can leverage the expertise and data of the Exploren Platform.

The logo consists of the lowercase letters 'ex' in a white, sans-serif font, enclosed within a dark blue circle. The background of the entire page is white and decorated with various abstract shapes: a large dark blue circle at the top center, a large yellow circle at the bottom center, and several smaller yellow and dark blue circles and rings scattered around the edges.
